MOBILE UPGRADES

LEADERBOARDS:

- › **Custom point logic:** Operators define weightings for bespoke competitions.
- › **Flexible funding:** Support for operator-funded prizes or “unlockable” pots.
- › **Universal V5 access:** Seamless integration across all V5 games.

BETSLIP:

- › **Free bet integration:** Players can effortlessly view and apply rewarded free bets within the slip.
- › **Visual markets:** Plain text is replaced by rich components.
- › **Smart organisation:** Expand/collapse event blocks allow players to focus on key markets.
- › **Bespoke design:** Fully customisable UI to match specific operator branding.

LOBBY:

- › **Premium landing page:** A high-impact hub featuring jackpots, leaderboards, loyalty rewards, etc.
- › **Modular layouts:** Dynamic “WordPress-style” content management.
- › **Category-specific UI:** Tailored divisions displaying vital data at a glance.
- › **One-click hybrid toggle:** Instantly swap between Scheduled/ On-Demand views to eliminate clutter.
